

YOU ARE READY FOR POSTUROLOGY.

POSTUROLOGY EDUCATION

Posturology Education Program teaches the health care professional how to evaluate and treat the sensory receptors to improve posture, increase stability and eliminate pain. Because Posturology is not merely a symptomatic treatment but addresses the etiology behind many common injuries and conditions, it can be applied as a stand-alone or a complementary therapy.

YOU ARE READY FOR POSTUROLOGY.

SPORTS THERAPIST

As a sports therapist, what if you could embark on an educational journey that would allow you to achieve the following:

- Structural balance in recordtime
- Symmetry in ROM testing in 1 session
- Joint stability
- Radically increased proprioception
- Rapid healing from injuries
- Increased performance instantly

YOU ARE READY FOR POSTUROLOGY!

YOU ARE READY FOR POSTUROLOGY

CHIROPRACTOR

Posturology is the science of posture & shows the health care practitioner how to assess & treat all of the main sensory receptors that contribute to subluxations.

YOU ARE READY FOR POSTUROLOGY!

NEUROMUSCULAR DENTISTRY

Posturepro works in collaboration with only few qualified neuromuscular dentistry & restoring a balances bite position.

Posturepro has designed the Program so that the student has the ability to work one-on-one with the instructors to ensure that they are confident in their ability to practice Posturology on their clients. The instructors are available throughout the Program to answer all questions and are happy to guide the students throughout their learning process.

What You Will Learn?

You will learn how to analyze posture, to test the eyes for oculomotor imbalances, to test the feet for postural adaptations, and to correct the sensory receptors that have a profound impact on posture & strength performance.
